Togetherness—  
Success comes from togetherness.  
How could we feel pride without belonging together?

Some things are hard for one alone  
Two are stronger than one,  
and many are stronger than two  
You have helped me  
and I've helped you, too  
Together we have felt the pride of belonging to our class  
No one else's, just mine and yours  
Together, success has come to us

Bruce Johnson, Senior Class President, performed his duties well and with a sense of humor that was appreciated. Valerie Hart, Senior Class Vice-President, added a friendly personality to the Senior Class Officers. Ellen Whiting, Senior Class Secretary, helped create spirit among the Seniors with her bubbly enthusiasm. Gayla Bulloch, Senior Class Senator, contributed her past experiences of student government.

By showing their excitement and enthusiasm, the officers Greg Brown, President, Lawrence Esplin, Vice President, Kathy Metherell, Secretary, and Vicki Riddle, Senator, have brought great success to the Sophomore Class. They have led the Sophomores in a good year of challenges and involvement through voicing their opinions in Student Government and sponsoring the Sox Spree and various other activities.

# Homecoming

Representing Cedar High as Homecoming Royalty were Allyson Averett, Homecoming Queen, Gayla Bulloch, first attendant and Sheri Major, second attendant.

... "Come Touch the Sun."

Homecoming at Cedar High School was exceptionally outstanding this year. The snake dance, assembly, bon-fire, football game, presentation of royalty, homecoming dance and parade all contributed to the success of homecoming 1971.

Under Valeri Leavitt, homecoming chairman, the theme *Come Touch The Sun* was selected to plan the activities around.

Float competition was won by the Senior Class with Lani Twitchell acting as chairman. The Seminary float took second place and the Thespians won third.

**Homecoming** . . . unlocks yesterdays' memories.

## Harvest Ball ... "Super Star."

As the first formal dance of the year, the Harvest Ball drew a large crowd. Debbie DeMille and Marie Bladen served as dance chairmen while Rhea Nelson and Karen Christensen were in charge of the entertaining assembly.

# Christmas

... brings many activities to CHS.

## Senior Hop ... "The Long and Winding Road."

The Senior Hop was made a great success by Allyson Averett, Marilyn Allen and Dean Bickmore. The colors chosen for the dance were blue and green. The theme was "The Long and Winding Road."

# Sweethearts' Ball ... "One Love."

Vicki Halsey, chairman and Sherri Major, co-chairman, displayed and carried out well-planned ideas for the annual Sweethearts' Ball sponsored by the Suah Kahne Pep Club. The colors were red and silver and the theme was "One Love." All members of the club participated in the assembly under the direction of Julie Casuse.

# Sox Spree ... "You've Got a Friend."

You've Got a Friend was chosen as the theme for the Sophomore Sox Spree under the direction of Elaine Braithwaite, chairman and Pat Hulet, co-chairman. The colors for the dance were yellow and white. Bob Platt worked hard as chairman of the assembly. He used the theme as a guideline which made the total effort a success.

## Junior Prom . . . "Morning Has Broken."

One of the most original creative dances for 1971-72 was the Junior Prom. Brian Terry, General Chairman spent many hours writing and directing the assembly. He also sang the theme song in the assembly and at the dance. Carol Spencer and Pat Smith, Dance Chairmen, also worked many long hours on dance decorations.

# Preference Ball ... "Black Diamonds."

Always one of the most beautiful Jan 15s of the year the Preference Ball at 1971-72 was no exception. Decorations, traditionally black and white were planned by Esther Hunter, Gayla Bulloch, and Sharla Flack. The Mohey Tand were in charge of the dance and directed under the direction of the charmen Lawrence Esplin and Mark Slack sang the theme song. The Preference Ball was very well attended

# Summertree . . . reveals creative personalities.

Summertree, the first drama production of the year at CHS, set a standard of excellence for the drama department throughout the year. As a result of the efforts of Miss Davis, director, and Cindy Wiebe, student director, the play was a successful display of talent and work.

# Up The Down Staircase

... challenges the participants dramatic abilities.

Up The Down Staircase with Miss Davis  
Marsha Ashworth

Up The Down Staircase was very well received by many theater people and critics. It was a success and needed an encore.

# The Music Man

The Music Man, directed by Miss Davis, Mrs. Roper, and Mr. Matthews, was a tremendous success. JoLynn Stratton as Marian the librarian and Kim Dierdorff as the Music Man led a cast of sixty students in the performance. The performance was also enhanced by Neile Hart and Carol Spencer at the piano, Robert F. S., at the drums, and the entire CHS band. Not only the actors but also all those who made costumes and props deserve thanks for their part in making this musical an outstanding event.

... proves both a challenge and success to its cast.

# BEPRESENTATIVES

I am continually growing,  
growing and progressing  
toward something uniquely mine—  
something I alone want and need,  
something that I myself cannot yet comprehend.

What am I seeking?  
I really don't know for sure,  
but I'll keep on working and someday,  
someday I'll know,  
someday I'll know why I've worked  
so long and so hard without any reward  
I'll keep on working,  
and tomorrow—  
tomorrow I'll know what I want

# Girls' and Boys' Organization

The Girls' Organization officers for 1971-72 were: Cheri Gardner, Pres.; Necia Cooper, Vice Pres.; Claudia Boshell, Sec. They worked hard to unify the studentbody through their various activities.

## Girls' and Boys' Staters

Girls' and Boys State are unique experiences in leadership, governmental functions, parliamentary procedure and patriotism. Those who attended the 1971 session gained a deeper appreciation for our free land as well as a greater insight into themselves. Boys' Staters this year were Steve Munson, Brad Schmutz, Clark Segler, David Chatterley, Gary Hancock, David Haight and Dean Bickmore. Girls' Staters were Ann Fenton, Sonja Sandberg, Nellie Hart, Laura Hulet and Ellen Whiting.

# All-Staters ... demonstrate unique abilities.

One of the finest opportunities in high school is being an All-State participant in band, orchestra or chorus. The students who are selected for this privilege are excellent in their fields and represent CHS well. Terrel Sandberg also represented CHS in State competition at the Science Symposium.

# Committees

The Student Government Class was assigned the impossible task of coordinating student activities and opinions. The group was composed of club and class representatives, studentbody officers and petition members. The main responsibilities of the Student Government Class were supervising Homecoming activities, reviewing and re-writing the Redmen Handbook, reviewing and changing school policies, co-ordinating election procedures and developing themselves as better leaders. David Haight, Studentbody President, led the class and Mr. Miller was the advisor.

David Haight directed the publicity committee as they attempted to inform all the students at CHS of the upcoming events.

... develop individual talents through student involvement.

The Assembly Committee, headed by **Susan Barton**, helped improve many of the assemblies presented at Cedar High. Their suggestions, along with the students' hard work, made their years' assemblies a great success.

The Showcase Committee, under the direction of **Beth Schaack**, provided many colorful displays. The ideas for these displays were centered around school dances and other activities.

# ADMINISTRATION

Because you've shown me that you care,  
I've learned to trust and believe you.  
And because you're always there to help,  
my appreciation and respect for you has grown.  
You've taught me a lot—  
    to do my best,  
    to work hard,  
    to satisfy myself  
You've taught me how to love, too.  
Just because you have cared,  
I care

## Administration . . . provides

Superintendent Morris and the Iron County School Board have shown their concern by working closely with Principal Woodbury and student leaders of CHS to assure a successful school year.

Holding the time-consuming job of Secretary was Mrs. Marilyn Webster. Her special talent was the personal interest she took in the students of Cedar High.

Also aiding in special departments were: Diane Holmes, Main Office; Kathy Adams, IMC; Jane Overman, Shop Department.

**student opportunity.**

Principal Rulon Woodbury has led the faculty and studentbody with determination and an eye on the future this 1971-'72 school year. Mr. Woodbury is the biggest supporter of Redmen activities.

Working with Principal Woodbury to keep CHS running smoothly was Vice-Principal, Mr. James Miller. His coordination of school functions is greatly appreciated.

Brook  
I found work this summer at Brookwood Park working  
as a lifeguard and swim instructor.  
I have a friend here in Brookwood  
and I am going to swim with him  
on his days off. I am not swimming  
now as it is too hot outside.

Received your letter

Dear Kim,

I hope you are doing well. I have  
been trying to get in touch with  
you since a mail from you and I never  
found time it was so hot. On June 10th  
I went swimming up river. We were  
going to go to those mysterious falls.  
Each year we used to go down  
Bonnie and me like we were in a  
stupor most that day. The level  
thing we did was the day we  
in the water it was so cold  
funny. It sure surprised us to  
find it was. I wish you  
in the next year we will see  
hope to have some other visitors with  
you. You be a good kid & don't get  
into trouble this summer have lots  
of fun and will see ya around ~~soon~~ <sup>soon</sup> away.

with you. You are a very  
good boy. I will remember Mr. Pres., that  
Thespian stuff, even if

you

great! Again good by,  
if you don't mind the

It took me about an hour to find this page.  
Gosh, I don't know what to say to you. I  
certainly wish this year wasnt over yet.  
Kim, you're one of the greatest people I know  
in all the world. I don't know what I  
would have done this year without you  
and the experiences we shared together.  
I thoroughly loved the Music Man. You  
were just fantastic in it. Everyone told  
me so. I was so pleased when Marian  
Hunt told me & you that she cried during  
the "Bridge scene". I didn't know we  
kissed so well. Also I have so many wonderful  
memories in Madrigals. I've really formed  
some lasting friendships in that class.  
Sometimes I wonder what I will do  
without you great kids. I'm sorry if I  
was ever cool or something during the musical  
but truthfully I was kind of scared of you.  
But I know how stupid I was, now, Kim,  
you've really got alot going for you. You've  
got more talents & good qualities than any  
other boy I've met in my whole life.  
You'll always be very special to me. I'll  
never forget you and I know I'll  
always love & respect you. I hope you'll  
continue to develope your beautiful  
voice. I know you'll go far. I know God  
is watching over you and directing you.  
Please, always listen to him. He knows  
what he is doing. Believe me, I know.

May God always bless you.  
You deserve everything in the  
world. Love Jo Lynn Stratton

Kim  
It's been fun  
in the choir  
(losses) with you & we  
year. You're a great  
teacher and I'll see you  
again summer and fall  
next year.

Kim  
Wear a good music man  
I hope you had fun my  
mother said you were a  
perfect Harold Hill. See you  
next year in the Cimarron Explorers

Mary

Love ya

Kim,  
It's really been a lot of fun  
going to school with you this  
year. You're a super talented  
kid with a personality  
to match; see you next  
year.
